Dear Cal,

Glad you are better and that your book is coming along.

I've not kept a file on Oswald's discharge or on the arrests. Perhpas it would be good to go over those pages and see if they hold what I'd like to have on file. Thanks for thinking of it.

If your local reporter wants a picture, fine, if your mother will take it. We've given our cameras away.

Whenever you get here will be fine.

Best,

Harold Weisberg
